

PowerPaint®

Freizeitspaß Paintball

Beginners Instruction

Here are some of the important things to know, to play Paintball at our place:

- ✓ Paintball is not war. **Paintball is a Teamplay Sport** with rules like other sports as well.
- ✓ Because of this, in our place it is **not allowed** to wear any kind of **military clothes** (like camo,...). Those who won't be able to bring any sporting clothes, they can wear an old jeans and sweatshirt as well. But attention: all bodyparts should be covered.
- ✓ Additionally we recommend **Kneepads, gloves, a baseball cap** and for those who have it: **a cup**. A thin scarf for your neck is not a handicap as well. **Protector shirts** for women may be contrived on inquiry.
- ✓ A **passport** or **drivers license** must be showed before starting the event. Those who cannot identify themselves aren't be able to play.
- ✓ In Germany you have to be **at least 18 years old** to play Paintball. No exceptions were made!
- ✓ We recommend to wear **lenses instead of glasses** because of the paintball mask. But it is also possible to wear glasses under the mask.
- ✓ Paintball is different. Totally different than other sports, so:
Don't forget to bring your Camera!
- ✓ It is totally forbidden to use any kinds of drugs before or during your Paintball event. **No Alcohol. No other Drugs.** Those who are drunk or something similar have to leave our place immediately.

**All what is written above is for your own safety.
We know you will have fun playing Paintball.**

Your FunSportEvent-Team.
